

Request for Funding Application

Northern Virginia Alliance League (NVAL) is a women's organization that donates funds to nonprofit organizations benefiting the DC Metropolitan area. NVAL is a non-profit organization with status under Section 501(c)(3) of the Internal Revenue Service Code. Established in 1957, NVAL has raised and distributed approximately \$700,000 to more than 20 nonprofit organizations serving the DC Metropolitan area. Our primary fundraiser is our annual Holiday Luncheon and fashion show in early December. We have given gifts as small as \$1,000 and as large as \$49,000 in previous years.

We are accepting our next round of applicants beginning **June 1, 2021 through August 15, 2021**. Funds for this application cycle will be distributed in June 2023. The charity committee will review the applications and will invite selected non-profits to present to the entire NVAL membership for consideration of receiving funding. Membership will vote for the final non-profits in the Spring of 2022.

Funding applications will be considered in areas of health, affordable housing, food assistance, human services, education and the arts serving the DC Metropolitan area. Both general operating support and project applications are eligible for consideration.
